

MODULAR. SCALABLE. SEAMLESS.

Introducing Wing Line Railing & Partition Systems

2015-16

Innovation for Total Vision.

Ozone is a leading and established brand offering high quality Architectural Hardware and Safety Solutions worldwide. Ozone has achieved many accolades the world over with its innovative, technologically advanced, quality products. Operating on an international scale with prestigious business associates worldwide, we offer complete Architectural Hardware Solutions through more than 3000 products, divided into 8 successful product categories. We offer turnkey solutions for your requirements. Our expertise in customization ensures that all your specifications - from manufacturing to delivery - are met precisely.

Wing Line Railing & Partition System

A new innovation by Ozone, this free standing Railing & Partition System is a combination of Stainless Steel Pipes and Glass Clamps.

Weldless Partition & Railing System

- Completely Modular and Weldless in nature
- Effective, Free Standing Partition System with no ceiling support required.
- Easy to build straight linear divisions, 90° or 180° cubicles and cabins.
- Can be installed in both, indoor & outdoor application, like cabins, partitions, screens, pool fencing etc.

Assembly

- Standard Height Posts of 60x60mm ($2\frac{3}{8}'' \times 2\frac{3}{8}''$) tube are available in 1 mtr.(40'') and 2 mtr. (80'').
- Post tube thickness of 2mm($1/16''$), 3mm ($1/8''$) available in SS 304/316, PSS/SSS finish with or without pre-drilled holes.
- 8 mm ($5/16''$) Base plate with a cover plate.
- The top is fitted with a modular cap for a fine, weldless finish.
- Clamps are available to suit different applications of side or front mounted. The bottom ones come with a plate below to provide extra support and ensures that the glass does not slip.

Wing Line Railing & Partition Systems

OZRF-ED-GC-A1 (upper side mounted)

OZRF-ED-GC-A2 (bottom side mounted left)
OZRF-ED-GC-A3 (bottom side mounted right)

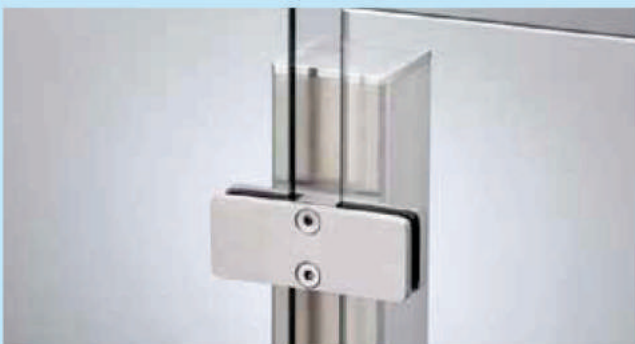

OZRF-ED-GC-A4 (upper front mounted)

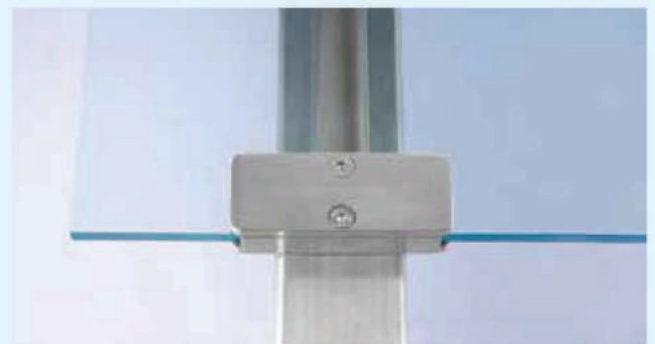

OZRF-ED-GC-A5 (bottom front mounted left)
OZRF-ED-GC-A6 (bottom front mounted right)

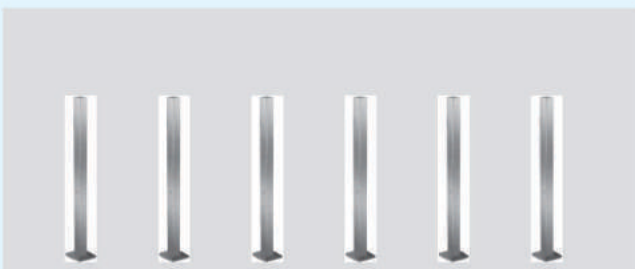

OZRF-ED-GC-A7 (front mounted middle clamp)

OZRF-ED-GC-A8 (bottom front mounted middle)

POSTS (1 mtr.)

Standard posts with plate, cover & top cap.

POSTS (2 mtr.)

Standard posts with plate, cover & top cap.
